One of my favorite AI apps - Brisk has a BIG upgrade!

Create & Give Feedback in Google Slides! Teachers can quickly create presentations and provide feedback on student-created slides in seconds

The screenshot shows a Google Slides presentation titled "Post-World War II Europe: Reconstruction and Division". The main slide is titled "NATO and the Warsaw Pact" and lists key points:

- NATO (North Atlantic Treaty Organization) established in 1949 to provide collective security.
- The Warsaw Pact was a response by the Soviet Union, creating a military alliance.
- These alliances for Europe and were crucial military strategy.

 The 'Library' sidebar is open, showing categories like 'Recently Used', 'Curriculum Essentials', 'Administrative Tasks', and 'Interventions'. A red arrow points to the 'Add Slides' button in the 'Curriculum Essentials' section.
