

How to export student data from STAR Renaissance

Under **ASSESS STUDENTS**

- Click **Star Reading**
- Click **Historical Extract**

The screenshot shows the STAR Renaissance dashboard. At the top, there is a navigation bar with 'RENAISSANCE' on the left and 'Home', 'Help', 'Live Chat', and 'ADMINISTRATOR USER' on the right. Below the navigation bar is a 'Home' section with a 'Discover what's new...' link. The main content area is divided into several sections:

- ASSESS STUDENTS** (Determine the skill level for each student): This section is highlighted with a red box. It contains a 'Star Reading' button (For Grades 1-12) which has a dropdown menu. The 'Historical Extract' option in the dropdown menu is highlighted with a red arrow.
- PLAN INSTRUCTION** (Teach skills recommended by Star): Contains a 'Planner' button (Assign articles, quizzes, and assignments).
- VIEW REPORTS** (Explore your students' results): Contains buttons for 'Reading Reports', 'Math Reports', and 'Administrator Reports'.
- MANAGE STUDENT PRACTICE** (Set goals and manage content): Contains buttons for 'Accelerated Reader 360 Independent Reading' and 'Accelerated Reader 360 Assigned Reading'.
- MANAGE CONTENT** (Import book quizzes, articles, or assessments): Contains a 'Manage Content' button (Books, quizzes, articles, or assessments).
- LEARN BEST PRACTICES** (Professional Learning): Contains a 'Smart Start' button (Product Training).
