MRSC Board of Directors Meeting

Location: NEOnet Boardroom

Dates Offered: November 1

Educational Technology WorkFlows Advanced Cataloging

If you have taken Basic Cataloging or have a solid knowledge of MARC records and want to learn more, sign up for Advanced Cataloging. Topics covered include cataloging from templates, modifying MARC records and cataloging equipment. Bring your cataloging challenges and questions!

Location: NEOnet Training Lab

Dates Offered: October 6

Edu Protocols

Educational Protocols give teachers templates for teaching anything! Marlana Hebern and Jon Corippo created these “protocols” where students can be taught virtually any topic with the same engaging templates. Join this session to learn more!

Location: Virtual/NEOnet Meeting Room E

Dates Offered: October 6

BLUEcloud Lists

Learn how to create, manage, curate and market print and digital content using BLUEcloud Lists.

Location: NEOnet Training Lab

Dates Offered: October 12

Create Engaging Instructional Videos with Prezi Video

Prezi Video is an online video creator that puts you alongside your content. It includes fun and engaging graphics that will keep your students hooked. Come see this session and learn how to make truly effective and engaging instructional videos!

Location: Virtual/NEOnet Meeting Room E

Dates Offered: October 13

Tech Tools for Formal Assessments

End-of-Unit, summative assessments are a necessity for many teachers. Sometimes it’s difficult to find the right tool for the job. In this session, we’ll explore some tech tools to help write, differentiate, distribute, collect, and grade those tests!

Location: Virtual/NEOnet Meeting Room E

Dates Offered: October 20

WorkFlows Database Clean-Up Part I

Workshop includes item maintenance strategies and shortcuts for keeping your library database current. Patron maintenance strategies area also included.

Location: NEOnet Training Lab

Dates Offered: October 21

Virtual Field Trips

Students can explore the world from your classroom! Even though Google Expeditions is no more, there are still plenty of ways to do Virtual Field Trips! This interactive session will explore several different tools that allow us to embark on a Virtual Field Trip.

Location: Virtual/NEOnet Meeting Room E

Dates Offered: October 27

Genially for Engaging Visuals

Genially is an all-in-one tool that allows teachers to easily create slideshows, games, interactive images, maps, infographics, illustrated processes and more! There are tons of templates and fun graphics that are ready to be used in your teaching!

Location: Virtual/NEOnet Meeting Room E

Dates Offered: November 3

Pear Deck Interactive

Slideshows

Come check out this session to learn all about the amazing things you can do with Pear Deck to engage with students! If you have the premium version of Pear Deck, we will also explore the teacher dashboard, Immersive Reader, audio on slides and more!

Location: Virtual/NEOnet Meeting Room E

Dates Offered: November 10

Making Tutorials with iorad

iorad is a tutorial making tool that allows you to easily create interactive directions for any website. This is a great tool for a Teacher to use for their students, a Tech Coach to use for their colleagues, or a Principal to use for their staff!

Location: Virtual/NEOnet Meeting Room E

Dates Offered: November 17

Media Services Advisory

Meeting

Update on Sirsi WorkFlows and INFOhio electronic resources 8:30-11:30am. Open lab and/or professional development session available afterwards from 12:30-3:30pm.

Location: NEOnet Meeting Room B

Dates Offered: November 18

Make Your Own EdTech Toolbox with Wakelet

If you have been learning about A LOT of Ed Tech tools, it can be very confusing keeping track of them. Wakelet is a great way to keep all of your Ed Tech tools in a neat Toolbox! You could even share your Toolbox with others so you can easily find the Ed Tech tool you need!

Location: Virtual/NEOnet Meeting Room E

Dates Offered: December 1

What's New in Google Workspace for Edu?

Google is always changing things! This session will sum up all of the major changes of 2021 in Google Workspace for Education, including the different service tiers.

Location: Virtual/NEOnet Meeting Room E

Dates Offered: December 8

Student Services

Special Services Meeting

The Special Services Meeting is for any staff in the district involved in the Special Education process and software. This meeting reviews the software releases, form changes & functionality, EMIS Reporting and a forum to discuss issues.

Location: Virtual/NEOnet Training Lab

Dates Offered: October 1

EMIS/SPS Meeting

The meeting will show how the EMIS Extract/Import data from the Special Education forms and/or hand entered into the Student Information Special Education screens works with the EMIS Reporting. This will include correcting Sps Extract errors, understanding Federal Child Count, When to report NIEPs, reporting Preschool to Kindergarten transition and EMIS Reporting.

Location: Virtual/NEOnet Training Lab

Dates Offered: October 1
