FINALFORMS

REGIONAL TRAINING SESSIONS

Recommended Attendees
Secretaries, Central Office Administrators, Registrars, Principals, and other interested leaders.

FinalForms Training Sessions - What's new and Fall "hot topics"

Learn the basics of online forms, student statuses, and automated alerts to streamline parents/student communication and information distribution – beyond your wildest dreams!

Academic Mode
- Formsets - Full form history and customizable
- Communication tools
- Sorting and filtering student lists
- Statuses - synced to SI upon Enrollment
- Countdowns
- Clearances
- File Folders

Managing Parents
- Connecting students to parents
- Duplicate accounts

Gatekeeper *(FinalForms-to-SIS Data Management)*
- Update a current student
- Tips, tricks, and caveats

Groups
- Proposing, creating, and approving groups
- Group modes
- Students do not remain in groups year to year

Activities
- Parents sign up for these like a sport
- Activity-specific forms

Readiness Checklist
- Brief insight into what happens with your students next year and things to think about as January approaches
- Be sure to join one of our webinars for the Readiness Checklist that we offer beginning in January
